X	None in the Above		

Audit Method and Plan

The audit was conducted in 2 audit days and involving 1 estate of Grand Mutual Sdn Bhd (Lassa Estates). The audit covers documentation review for internal procedures, management system, field inspection as well as identification of any significant issues for both environment or social issues and also the peer reviewer process as per ACB-OPMC-3. The 30 days of stakeholder consultation prior to the audit date as required by ACB-OPMC-4.

The audit evidence obtained was based on a sample of the information; thereby introducing an element of uncertainty. The methodology for objective evidence collection included physical site inspection, observation of tasks and processes, interview with workers, families and stakeholders, documentation review and monitoring data.

Site Sampling Methodology-Not Applicable.

Risk Determination-Medium

Assessment Findings

The specific processes, activities and functions reviewed are detailed in the **Audit Plan** . Details of collected evidence and audit trail of this audit are presented in the separate MSPO checklist . As outlined, objective evidence was obtained separately for each of the MSPO requirements (Indicators) for the mills and estates. The results for each indicator from each of the operational areas were evaluated to provide an assessment of conformity. A statement is provided for each of the indicators in order to support the findings of the assessment team.

There are 1 (1 Major NC; 0 Minor NC and 0 Observation) been raised on the MSPO checklist Part 4.

Major NCs have been closed within the period of 90 days after the Main assessment.Compliance and Observations will be followed up during the next Annual Surveillance Audit which is scheduled to be conducted within the period of twelve months after the Report approval of Main Assessment. Corrective Action Plan(CAP) is required to be submitted for all finding within 30days of the assessment and has been reviewed and accepted by the audit team.

	Document:	DMC/MSPO/AR-S
	Page:	7 of 8

Based on the audit, it was apparent that:

The internal audit program has been fully implemented and demonstrates effectiveness as a tool for maintaining and improving the management system	✓
The management review process is adequate and effective.	✓
The organization has met its objectives and targets and monitored progress towards their achievement.	✓
The management system documentation confirms with the requirements of the MSPO audit standard.	✓

PREVIOUS AUDIT FINDINGS – IF APPLICABLE

Nonconformity identified during previous audits has been corrected and the corrective action continues to be effective	NIL
Not adequately addressed nonconformity identified during previous audit activities and the specific issue has been re-defined in the nonconformity section of this report.	NIL

Audit Conclusion and Recommendation

The audit team concludes that the organization fulfill the requirements of the MS 2530-3 standard and demonstrated the ability of the system to systematically achieve agreed requirements for products or services within the scope and the organization's policy and objectives.

The audit team recommends that, MSPO certification be: **Granted to Grand Mutual Sdn Bhd (Lassa Estates).**
